BOARD OF PUBLIC WORKS
DEPARTMENT OF BUILDINGS

Application for the Erection of Buildings

CLASS "A" - ~~"B"~~ - ~~"C"~~

To the Board of Public Works of the City of Los Angeles:

Application is hereby made to the Board of Public Works of the City of Los Angeles, through the office of the Chief Inspector of Buildings, for a building permit in accordance with the description and for the purpose hereinafter set forth. This application is made subject to the following conditions, which are hereby agreed to by the undersigned applicant and which shall be deemed conditions entering into the exercise of the permit:

First: That the permit does not grant any right or privilege to erect any building or other structure therein described, or any portion thereof, upon any street, alley, or other public place or portion thereof.

Second: That the permit does not grant any right or privilege to use any building or other structure therein described, or any portion thereof, for any purpose that is, or may hereafter be prohibited by ordinance of the City of Los Angeles.

Third: That the granting of the permit does not affect or prejudice any claim, title to, or right of possession in the property described in each permit.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are some faint smudges and marks on the paper, particularly near the bottom edge where there's a small dark mark resembling a staple or hole punch reinforcement. The overall appearance is that of a clean, unused piece of stationery.
